¹ Early iterations of this survey were administered on paper.

² Includes questions required by UNC General Administration.

³ Prior to 2013, those having completed between 45-59 credit hours, with at least 30 at NC State.

⁴ Administered biennially, as required by GA, from 2000-2010.

⁵ Prior to December 2000, administered to Spring grads only.

⁶ Administered every year prior to 2009. Required by GA biennially from 1996-2010.

⁷ Generally, in Graduating Senior Survey (GSS) years, inserts are administered as part of the GSS. In non-GSS years, they are administered independently.

⁸ Follow up survey administered in September to (1) non-respondents from previous December and May, (2) respondents who reported being unable to locate work, and/or (3) respondents who had plans to attend graduate school but had not yet been admitted.

⁹ The 1995 and 1998 Alumni Surveys also included a survey of employers of alumni.

¹⁰ In the 1995 and 1998 surveys samples were used for the 6 largest departments.

¹¹ Replaced by triennial COACHE survey.

¹² Includes paper survey option
