SAS VA: Guest Login & Report Navigation

- Click on report titles to gain access to the report
- You may be prompted to “login,” if so
  - Click on Guest to access the report
  - DO NOT try to login using your NCSU credentials

Conferrals
View degree completion and completer headcounts for NC State. Data may be viewed by college, department, degree level, residency, full- and part-time status, gender and race/ethnicity. 'Conferral' means any degree or certificate award, and reflects all awards granted, even if more than one award is made to the same student. 'Recipient' is an unduplicated degree recipient for that level and year.

View Report Sections

Faculty & Staff
View data for university employees by JCAT and SOC for both full- and part-time staff and faculty. Also view our faculty and staff by rank, tenure, degree attained, gender, race/ethnicity, and their college. Based on the Personnel Data File submission to UNC-GA.

- Heatmaps are used to display the density of Conferral Types and other data throughout the Factbook.
- Hovering over individual blocks will display counts and percentages for each block.
- Heatmaps update based on filter selections (Year Type, Year, College, and Program Department).
- When you click within a block, a pop-up will appear if the “Drill” feature is available.
- Click on “Drill” to display level options (e.g., Degree, Academic Plan). By clicking on the available options, the trend table will update, allowing you to move up and down in levels.
- This can also be achieved by double clicking within the color block to present the variable hierarchy.

Clicking on the Heatmap will display the Expansion Icon (top right corner). Click on the Expansion Icon to expand the Heatmap to full-screen.
SAS VA: Summary Table

- Summary Tables are used to display counts by throughout the Factbook
- The Summary Table can be sorted based on Column headers by clicking the triangles
- Summary Tables update based on filter selections (Year Type, Year, College, and Program Department)

Clicking on the Summary Table will display the Expansion Icon (top right corner)
Click on the Expansion Icon to expand the Summary Table to full-screen
SAS VA: Trend Visuals & Drill Feature

- Trend Visuals are used throughout the Factbook. Some trend visuals include a “Drill” feature that allows users to breakdown the trends at multiple levels.
- Trend Visuals update based on filter selections (Year Type, Year, College, and Program Department)
- Hovering over individual blocks will display counts and percentages for each block

- When you click within a block a pop-up will appear if the “Drill feature is available
- Click on “Drill” to display level options (ex. Degree, Academic Plan, by clicking on the available options the trend table will update, use this move up and down in levels.
- This can also be achieved by double clicking within the color block to present the variable hierarchy

- Clicking on the Trend Visual will display the Expansion Icon (top right corner)
- Click on the Expansion Icon to expand the Trend Visual to full-screen
SAS VA: Student Expenses

- Click In-State or Out-of-State for tuition and cost allowances by residency type
- Click Living Independently or Living with Relative for cost allowances by housing type
  - Living Independently refers to living on-campus or off-campus not with a relative or family
  - Living with relative refers to living off-campus with a family member who is contributing to living costs
