## Department Summaries

The following two tables provide summary statistics for May 2018 graduates in the College of Textiles. Table 1 includes the number of graduate students in each department in the College of Textiles who graduated in May 2018 and the number of those students who submitted the Graduate Future Plans Survey. It also includes the number of students who indicated at the time of the survey that they would be working full-time, as well as the number of those who indicated they were either pursuing or planning to pursue another graduate or professional degree in the coming year. Finally, it includes summary statistics on the self-reported salaries of those who reported that they would be employed full-time. Table 2 provides the same summary statistics for May 2018 graduates in the College of Textiles by the type of degree program from which they graduated (i.e., doctoral or master's).
